

Marian Centre Therapy Programs

Evidence-based therapies for enhancing mental health and associated difficulties.

Who are the programs for?

The programs are designed to meet the needs of people experiencing various mental health conditions and problem areas.

Who facilitates the programs?

The daypatient programs are facilitated by clinical psychologist, registered psychologists, registered counsellors, psychotherapists and occupational therapists.

How to join?

Please request a referral from your psychiatrist or GP. An assessment, if required, will be arranged prior to the commencement of the program.

Where?

The programs are held at our new day patient therapy suites at the Marian Centre.

Cost?

You will be admitted as a daypatient and as such, can claim via your health fund, if you hold sufficient hospital cover. All funds have different rules. Please ring our dedicated Therapy Liaison Officer (TLO) on (08) 9380 4999 ext 1126 to discuss attendance and any out-of-pocket expenses, excess or gap fees.

About the Hospital

Marian Centre is a stand alone private psychiatric facility offering highest quality patient care using evidence-based clinical practice. We provide inpatient, daypatient and outpatient services. We specialise in treating high prevalence disorders such as anxiety and depression.
